about 10 mg per day.

35. (Cancelled.
36. (Previously Presented) A method according to claim 30 wherein the oxandrolone is administered orally.
37. (Previously Presented) A method according to claim 30 wherein the oxandrolone is administered topically.
38. (Previously Presented) A method according to claim 30 wherein the oxandrolone is administered by injection.
39. (Previously Presented) A method according to claim 30 wherein the oxandrolone is in a solid dosage form.
40. (Previously Presented) A method according to claim 30 wherein the oxandrolone is in a liquid dosage form.
41. (Previously Presented) A method according to claim 30 wherein the oxandrolone is in a sustained-release formulation.
42. (Previously Presented) A method according to claim 30 wherein the oxandrolone is 17 $\alpha$ -methyl-17 $\beta$ -hydroxy-2-oxa-5 $\alpha$ -androstan-3-one.
43. (Currently Amended) A method according to claim 30 further comprising administering during the period of oxandrolone administration a protein supplement to the patient to achieve a daily protein intake by the
